---

Hello, all. I'm so pleased to tell you that we now have 726 people registered for this event! It has far exceeded our expectations. The audience breakdown is as follows: 429 social workers, 203 educators, faith leaders, and EMS workers, 52 Nurses and NPs, 22 physicians and residents, and 20 Allied Health professionals.

Dr. Levy's panel, *A Public Health Approach to ACEs*, will be on stage at 11 a.m., so please arrive no later than 10:30 a.m. There will be a separate check-in table for speakers and panelists, so look for that upon entry. During the panel, you'll be seated at a table on stage with table mounted microphones. Dr. Levy, you may either sit with the panel or stand at the podium – whatever is most comfortable. You'll also have a clicker to forward the screen to the next question as you ask it.

I will introduce Dr. Levy, then Dr. Levy will introduce each of you. If you have a bio that you'd like for her to use, please forward that.

Attached are the panel's questions. This is only 30 minutes long. With 5 minutes for introductions and 5 at the end for audience questions, that leaves us 20 minutes to fill. Please take a close look at the attached questions and let me know if there are any changes or additions to be made – new questions or changes are VERY welcome! If no changes are made, you can expect to hear these next Wednesday.

Thank you so much for agreeing to serve as panelists. We are grateful for your expertise and know that your responses will be well received!
